

The Spring Fling was born out of the Town's 50th anniversary celebration. The 50th anniversary was so popular, the Town decided to start an annual event and thus, the Spring Fling was born. 2016 will mark the 15th anniversary of the event. It is the largest event hosted by the Town and one that draws crowds from across the region. This year, the event will be held on Saturday, April 9, 2016 at the Town's flagship park - Mendoza Park. As always, the Town is committed to hosting this event without the use of tax dollars. To accomplish this, the Spring Fling's success relies on the generosity of sponsors from the community and surrounding areas.

15TH ANNUAL

*A celebration for all  
families*

# 15TH ANNUAL SPRING FLING

Spend quality family time and do it in the greatest place around... Spring Lake, NC. The Spring Fling personifies what our Town is all about. It is about community, tradition, excitement and generosity. It is a celebration for all families.

Join us. THAT is Spring Lake Strong.

*The Spring Fling is the opening day of baseball and that means there is baseball all day!*

In addition to being an All American event, the Spring Fling is also the opening day of baseball.

Teams will show their pride and strut their stuff at the opening ceremony with the "Parade of Teams." The ceremonial first pitch will be thrown and baseball season will officially be kicked off with style.

Games will be played all day at Mendoza Park, the Town's flagship, newly renovated park. So, come out, show your pride and support the Spring Lake Recreation League. Cheer on the athletes as they play and give it their all.

All sponsors are welcome and encouraged to hang their banners at the park for the day!

## ADVENTURE:

Part of the excitement of the Spring Fling is the activities for children of all ages. These activities include free carnival rides, a menagerie of games, Fayetteville/Cumberland County Arts Council Art Attack! and the park itself.

*Children enjoying some of the bounce houses*

*An exciting thrill ride not for the faint at heart*

## LIVE ENTERTAINMENT:

Throughout the day, the Spring Fling is proud to showcase an array of talent live on stage. Most is local talent. Some of the entertainment is on the main stage and some is located near the carnival rides. Whether it is through Art Attack! or direct performers it is all top notch.

*A performance by the Army Armed Forces Ground Band*

## LITTLE BIT OF EVERYTHING:

In addition to all of the above, there will be product vendors, food vendors, arts & crafts, face painting, bingo, DJ UB, concessions, special guests and more. There truly is something for everyone - of all ages - at the Spring Lake Annual Spring Fling.
