

Spring Lake Police Department Officer Candidates Job Related Physical Abilities Test Medical Release Form

PATIENT'S NAME: _____ is requested to

participate in a Job Related Abilities Test necessary for consideration of employment with the Spring Lake Police Department as a law enforcement officer. The Job Related Physical Abilities Test will involve the performance of tasks that will require a moderate degree of strength and manual dexterity.

TO THE EXAMINING PHYSICIAN:

To assure that candidates applying for the position of police officer are able to adequately perform the critical tasks associated with the job, it is the policy of the Spring Lake Police Department that each candidate must participate in the Job Related Physical Abilities Test (a description of the physical abilities test is attached). The test is administered under the direction of Spring Lake Police Department and certified Physical Fitness Instructors. By signing below, you are indicating that (1) you are familiar with the medical history and current condition of the patient named above and (2) that in your opinion, the patient should be able to participate in the described test without foreseeable medical danger to himself/herself.
